

Saturated play - A disruptive approach to exhibits, queues & diversity in museums & science centres

***Kate Kneale, & Richard Houghton, HKD, United Kingdom, Shivani Singhal, Dharohar, India, - Creative Director HKD, Dr Bryce Kositz, AFHEA, Australia***

A lively participatory workshop which will encourage attendees to solve the impossible. After that, dealing with hard to reach audiences, diminishing budgets or ever evolving content is going to be easy!Thats a lie - but hopefully this fun filled exercise in creative agility will provide some valuable food for thought
